WELCOME

on the way to "I do"

Congratulations! One of life's loveliest adventures has begun. This planner keeps the ideas, numbers, people and memories in one place - so there is more room for joy.

UNDATED

Start any month - we count the months to the wedding, not the calendar.

TOGETHER

Plan as a team. A 30-minute weekly date keeps you both calm.

PENCIL AND STICKERS

Plans change. Write in pencil, add swatches and photos.

KEEP THE MEMORIES

In the end you will have a diary too - write down the funny moments.

WHAT'S INSIDE

START	story, vision, key dates
BUDGET	planned, spent, payments
CHECKLISTS	step by step and 12 months
GUESTS	list, RSVPs, invitations, seating
SUPPLIERS	contacts, comparisons, menu, cake
CEREMONY	rituals, wedding party, vows
LOOKS	bride, groom, beauty
THE BIG DAY	hour by hour, emergency kit
AFTERWARDS	honeymoon, gifts, memories

Two hearts, one path.
